1863 – 1 Peseta Brown Bisect on Cover (Scott 13)

In 1983, Percy Bargholtz published an article in *The Mainsheet*, "The Early Bisects of Peru". At that time he had recorded 7 examples of this bisect. Six of them are in the following census. He recorded three from Arequipa to Lima in 1863, but I have only seen two of these covers.
